

**Title**

CSA CERTIFICATION-FINAL REPORT

**Model Forest**

Western Newfoundland Model Forest

**From**

September 22, 2003

**To****Keywords**

Sustainable Forest Management, indicators, ISO, CBPPL

**Objective**

To assess the requirements of CBPP in becoming ISO certified. CBPP SFM manual is used to link objectives with ISO objectives. The purpose of this report is to identify shortfalls and offer recommendations.

**Description**

The report offers suggestions to the CBPP Public Advisory Committee on how to better improve their SFM manual so that it links more coherently with the ISO certification process.

**Reports and Products**

**CSA Certification-Final Report.** Saunders, K. 2003 The Western Newfoundland Model Forest. WNMF: 1-003-001. 3p.
