

Title

SUSTAINABLE DEVELOPMENT CHAIR: INTERIM REPORT

Model Forest

Western Newfoundland Model Forest

From

March 1995

To

February 1996

Keywords

Educational Working Group, Sustainable Development Chair

Objective

The objective of this interim report is to provide an overview of the progress made to date in achieving the objectives of the Sustainable Development Chair. This would include acting as a sustainable development educator and as a sustainable development advocate, with the goal of advancing the public dialogue about sustainable development and resource management.

Description

This report is primarily an activity report, outlining activities that for the most part are still in progress. These activities would include such topics as integrating the educational system into the model forest; promoting public discussion of sustainable development and resource management issues within the province; eventual development and/or delivery of a course of study; and ongoing funding. The report also contains an appendix on Educational Working Group background material, an appendix on press releases, and an appendix containing the Forest Stewardship Council Report.
